43 Meanwhile the following letter has been received from Mr H Rangasami Iyengar

Letter dt 12 7 13 from Mr H Rangasami Iyengar

While adhering to his proposals already made, states that the selection of the suitable candidate will be made after consulting the authorities of the Maharani's College, and that he is not in favour of delegating 'this' right to the DI of Edn

44 In his previous letter he wrote that the selection of and fixtures of the candidate may be fixed by the Committee of the Maharani's College, and that when the Committee ceased the admission of the student may be made subject to the approval of the DI of Edn

45 Now it is stated that when the Committee becomes unable to perform its functions the selection may be made by Mr Rangasami Iyengar and after him by his son

46 It is not clear what right is sought to be retained and not to be delegated to the DI If it is the right to select the candidate from among the students of the Maharani's College when the Committee became defunct or unable to make the selection, this aspect

of the question has already been considered Moreover it is not known why the cessation of the College committee should be apprehended now

47 May the draft go issue?

48 [The midwifery schp in the medical Dept is of the value of Rs 15-]

49 The point of Mr Ranjaswamy Iyengar's 14.7 15 Communication is 15 11 not clear

50 According to the Rules now framed, the Selection of the Candidate rests with the Maharani's College Committee, and the sanctioning function of the Scholarship which is merely a formal matter with the D G The former power which apparently Mr Ranjaswamy Iyengar wants to retain in his own hands after the Committee become Dysunct is not now Vested in the D G There is however no reason to apprehend that such a Contingency will happen

51 The draft proposed requires no alteration Both the Senior Surgeon & D G who were consulted have agreed to it May it issue?

Sir

With reference to the draft appendix
you have forwarded here with regard
to the proposed Scholarship in the name of
my father the late W H Ramanuja Iyengar,
I beg to state that I have no additional
suggestions to make so far as the draft order is
concerned A slight alteration in the
appendix appears to me to be necessary

Clause 2 of the appendix lays
down that the Scholarship will be awarded
to a brahmin of the Sri Vaishnava Community
who proceeds to learn Medicine etc——

and Clause 3 makes provision in case
there is no Candidate for Medicine

In Clause 4 again, mention is made
that the Scholarship will be awarded to any
brahman boy who desires to study for
Medicine in the absence of Sri Vaishnava
boys

The primary idea of the award is

to encourage brahmin ladies, preferably widows
- engage in the study of Medicine, and this
being the case, it would certainly be desirable
to make this matter clear and lay down that
the Scholarships will be awarded to a Srī Vaishnava
lady who studies for Medicine & in the absence
of such ladies to any other lady of the brahmin
Community.

In the absence of brahmin ladies
coming forward for the purpose, the Scholarship
will be awarded to any Srīvaishnava or other
brahmin lady qualifying as a Mistress of a
School

I trust the Government will
be pleased to pass early orders in this
matter

Sir

From your letter, I understand that the amount invested by me has accumulated to Rs 323 2/- and odd and that the interest is about Rs 23 2/-.

The object of the endowment is

(1) to make provision for an annual prize of Rs 10 0/- in my father's name the late Mr H Ramanjayyangar to a graduate of the Calcutta University.

The Registrar of the University may kindly be requested to communicate with me regarding the details of the award

(2) To offer worship once a year to Sri Gopalakrishnaswamy in Varahanarasimha in memory of my late mother Sri Ramalammal and for Sraddhanusthana Brahmans that day during Thulamasam at an expense of Rs 35/-

His consent therefore that the amount invested should yield an interest of Rs 135/- per year in order

these two objects maybe carried out

The total amount required is Rs 3375/- of which however I would place Rs 875/- with the Mysore Septt so that the annual interest of Rs 35/- may be utilized for the second purpose To give effect to this proposal next month, I would request the Govt to place Rs 35/- at the total sum with me to enable me to carryout my object.

The amount of Rs 2500/ required for the fulfilment of the first object will be available in the Course of a year and nine months allowing 4% interest as the remaining sum of Rs 2322 as the first batch of Mysore graduates who are to compete for the prize will be forthcoming only in 1919.

I trust that you will be pleased to obtain the kind sanction of the Government to my proposals to immediately transfer to the Mysore Septt the amount of Rs 875 and Rs 35/- to meet the expenses in connection with the readings which will have to be done next month

I shall undertake to superintend & manage the worship & feeding that day every year.

I am &c
